

What are the Ministry's Provincial and Demonstration Schools?

The ministry operates provincial and demonstration schools throughout Ontario for deaf, blind, deaf-blind, and severely learning-disabled students, as well as those with attention deficit hyperactivity disorder (ADHD). Residential programs are offered at the schools Monday to Friday, for students who live too far from school to travel daily.

The Special Education Advisory Committee (SEAC)

The Special Education Advisory Committee (SEAC) consists of voluntary representatives from local associations, community representatives, and trustees all appointed by the Board.

SEAC members are available as a resource for parents or guardian(s) of students with exceptional needs, schools, educators, and the community. Most SEAC members are themselves parents of students with special needs and are most willing to offer support to parents prior to and during the IPRC process.

Representatives of the Toronto District School Board (TDSB) are listed below. If you call the association's head office, please indicate that you are calling the TDSB SEAC representative and that you wish to leave a message to have your call returned.
